

ENVIRONMENTAL POLICY

Takako America Co., Inc. is committed to managing environmental matters as an integral part of our business. It is our policy to assure the environmental integrity of our processes and facility at all times. We will do so by adhering to the following principles:

COMPLIANCE

We will comply with all applicable environmental laws and regulations, and with the requirements of other interested parties.

PREVENTION

We will employ management systems and procedures designed to prevent activities and / or conditions that pose a threat to the environment. We will protect our employees and community by employing safe practices and procedures.

COMMUNICATION

We will communicate our environmental commitment and policy to our employees and make our policy available to the public.

CONTINUAL IMPROVEMENT

We will continually seek opportunities to improve our adherence to these principles. We will implement and review programs and procedures established for continual improvement.
